United We Prepare™

DISASTER RESILIENCE FUND

Eligible households can receive up to $500 in direct financial assistance to help pay for costs associated with disaster preparedness or recovery, including:

Disaster Readiness Kits & Supplies
Examples: emergency food and water supply, water purification tablets or straws, n95 respirator masks, flashlights/lanterns, batteries, first-aid kits, shelter and sanitation supplies

Backup Power Supplies
Examples: portable power stations, backup batteries, solar charging equipment, generators

Emergency Communication Devices
Examples: hand-crank, solar or battery-powered radios, walkie-talkies, emergency weather radios

Home Safety & Hazard Mitigation
Examples: creating defensible space for wildfires, flood barriers or drainage improvements, erosion control materials, sandbags, smoke and carbon monoxide detectors, fire extinguishers or blankets, water or air purification devices

Disaster Recovery & Urgent Needs
Examples: evacuation expenses, temporary lodging, meals, transportation, animal boarding, cleanup supplies, replacement of essential household items, food spoilage, and other expenses that help households safely recover from the impacts of a disaster.

ELIGIBILITY

1. Must be a resident of Riverside or San Bernardino Counties.
2. Must be 18 years of age or older.
3. Must use all funds for disaster-related purposes.

PRIORITY CONSIDERATION

- Households experiencing impacts from a recent disaster.
- Household members with access and functional needs.
- Household members who rely on electricity for medical needs.
- Households located in areas facing higher disaster risk.
